Companion Urns

Our companion urns are thoughtfully designed to hold the remains of two individuals, making them a cherished option for partners who wish to rest together. However, they are also an excellent option for a single individual who requires a larger capacity urn. Whether honouring a lifelong bond or providing ample space for a larger individual, these urns offer both elegance and practicality.

Our range features Aluminum and Brass urns.

Sculpture Urns

Distinctive statement pieces designed to memorialise loved ones in a truly unique way.

Caldera Sculpture Urn

With a sweeping form reminiscent of the imprint left by a volcanic eruption, the Caldera urn is both powerful and refined. Available in two sizes, this versatile design can be displayed indoors or outdoors.

Lirien Sculpture Urn

A striking representation of the ethereal and enigmatic, the Lirien urn makes a captivating centrepiece. Its medium capacity makes it ideal for bookshelves, mantels or coffee tables, offering both function and artistry.

These sculptural urns combine contemporary design with enduring materials, offering families a memorial that is as meaningful as it is visually stunning.

Candle Urns

Lighting a candle in memory of a loved one can bring comfort and peace during the grieving process. Life Cycle Urns candle urns are thoughtfully designed to hold a tea-light candle while also serving as a resting place for ashes.

Available in both full-size urns for adults and smaller keepsake versions that hold a portion of ashes, these urns offer a meaningful tribute. Crafted in aluminium & brass with a stunning enamel and nickel finish, each piece is designed to honour and cherish those we hold dear.

Cloisonné Urns

The ancient art of Cloisonné originated over 700 years ago in the Imperial workshops of China. This intricate technique involves applying fine metal filaments over copper or brass to create ornate patterns, meticulously hand-filling them with enamel, followed by firing and polishing to achieve a radiant finish.

Our collection exemplifies exquisite craftsmanship, offering a refined tribute that blends artistry and durability, making these urns a testament to heritage and reverence.

Ceramic Element Urns

WA ceramic studio, Conscious Clay, has created these stunning handmade candle urns. Each piece is hand thrown and bisque fired, then finished with a glass like glaze available in five Ayurvedic element inspired colour base options.

These images serve only as a guide for the element colour base range and variations in finish should be expected. The shape may also vary slightly due to the hand thrown nature.

Also available is a Neriage urn (a Japanese technique of layering clay to create beautifully rustic pieces). These are finished with an Australian timber lid. Please see our website for more information.

Ash Glaze Ceramics

Conscious Clay hand thrown ceramic vessels become deeply personal memorials when a portion of ashes is blended into one of five elemental “Elements” glazes: Air, Earth, Fire, Water, or Ether. After your loved one’s ashes are received via a supplied collection kit, the vessel is crafted and glazed within approximately eight weeks.

Available forms include functional pieces—planter pots, candle holders, vases, display bowls, trinket plates—and the sculptural Neriage Teardrop vases, which uniquely embed ashes in glaze or clay. (Full product range and details are available on our website.)

Each vessel undergoes a natural and unpredictable transformation during firing. Ashes react to the glaze to yield nuanced flashes, flecks, and depth of tone that vary in every piece, making each urn truly one-of-a-kind.

We strongly encourage you to scan the QR code below to access our Ash Glaze Buying Guide, where you’ll find detailed examples of finish variation and helpful guidance to set clear expectations before ordering.

Wooden Adult Urns

Our handcrafted wooden cremation urns offer a seamless and dignified way to preserve the memory of your loved one. From smooth, polished finishes to intricate hand-engraved designs and personalised photo urns, each piece is crafted with care and attention to detail. Our wooden urns offer both beauty and functionality in a tribute that lasts a lifetime.

Designed to hold the ash box directly, there's no need to transfer ashes - simply place the ash box inside for a secure, respectful resting place.

Ocean Urns

Life Cycle Urns handcrafted ocean urns provide a meaningful vessel for your loved one's final journey. The cardboard urn is adorned with 100% biodegradable materials. With a soft, natural feel, they are designed to gently break down in deep water. Ideal for holding the ashes of one adult, our ocean urns provide a peaceful and environmentally conscious way to say goodbye.

Please note, ocean urns are designed to be used in deep water - these urns are not suitable for shorelines, creeks or dams.
